

RESOLUTION 22 – 10, 2022
COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO

AUTHORIZING THE ADMINISTRATOR TO ACCEPT A PROPOSAL, AND PURCHASE RADAR SPEED SIGNS, FROM KLEEM INC., AND DISPENSING WITH THE SECOND READING

WHEREAS, Columbia Township solicited and received proposals to purchase solar-powered speed radar signs, and the Administrator recommends that the Board of Trustees accept the attached lowest and best proposal from Kleem Inc., 6370 Gano Rd., West Chester, Ohio, 45069, for \$26,728.00; and,

WHEREAS, the Township’s transportation safety engineer TEC performed a speed and stop sign study (“Study”) in targeted locations to address resident concerns about vehicles speeding and failing to come to a complete stop. For the Study’s “Speed” component, TEC factored actual speed counts, traffic citation data, and field condition evaluations, and concluded that the township could install radar speed signs in locations on attachment A as a low-cost solution to help reduce speeding; and,

WHEREAS, the Study also included a “Failure to Stop” component using traffic citation data and field condition evaluations, but recommendations for the “Failure to Stop” component will be implemented separately. Also, the Study recently was broadened to evaluate additional conditions in the Ridgewood subdivision which may merit future action; and,

WHEREAS, the Board, upon majority vote, hereby dispenses with the requirement that this resolution be read on two separate days, and hereby authorizes the adoption of this resolution upon its first reading.

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of Columbia Township, Hamilton County, Ohio, for the benefit and welfare of Columbia Township and its citizens, hereby accepts the lowest and best proposal from Kleem Inc.; and further authorizes the Administrator to purchase radar speed signs from Kleem Inc. in the amount of \$26,728.00.

Motion to accept Resolution made by: Mr. Kubicki

Seconded by: Ms. Hughes
