

**RESOLUTION 22 –21 2022  
COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO**

**A RESOLUTION OF NECESSITY FOR STREET LIGHTING FOR MURRAY  
AVENUE EAST, DISPENSING WITH THE SECOND READING, AND  
DECLARING AN EMERGENCY**

**WHEREAS**, Ohio R.C. 515.01 authorizes the Columbia Township Board of Trustees to provide artificial lights for any road, highway, public place, or building under its supervision or control, or for any territory within the township, when the board determines that the public safety or welfare requires that the road, highway, public place, building, or territory shall be lighted; and,

**WHEREAS**, the Board has determined that one new street LED light should be added to each of two existing utility poles, and one existing street light should be converted to LED, which are necessary for the public safety on Murray Avenue East. With the 2021 completion of the Murray Path extension to Plainville Road intersection of Murray Ave. East, and the 2022 redevelopment of the vacant former Madison Place Firehouse, vehicular, pedestrian, and bicycle traffic is increasing significantly and projected to continue increasing; and,

**WHEREAS**, Murray Ave. East is being utilized as a bike route until the proposed Murray Path extension parallel to the roadway may be built in the future, and in the interim, the Columbia Township engineer is evaluating options to officially stripe the roadway as a designated bike route; and

**WHEREAS**, the Administrator has determined that the installation will be provided by Duke Energy at an estimated cost of \$6,019.95 and a monthly electric charge of \$13.62 will be billed to the Township and paid out of the General Fund; and,

**WHEREAS**, the Board of Trustees, upon majority vote, hereby dispenses with the requirement that this Resolution be read on two separate days, and hereby authorizes the adoption of this Resolution upon its first reading.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO:**

**SECTION I;** That the Board of Trustees has determined that two additional LED street lights and one existing street light conversion to LED are necessary for public safety on Murray Ave. East.

Approved on May 10<sup>th</sup>, 2022

**RESOLUTION 22 -21 2022  
COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO**

**SECTION II;** The installation of the underground cable, transformer, support and street light will be provided Duke Energy.

**SECTION III;** The lights are LED 70W Roadway Lights on 4-ft. mast arms on existing poles.

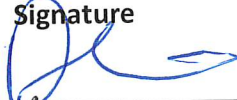

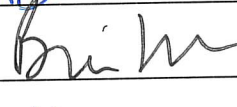

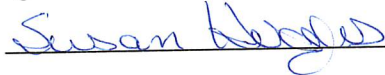

**SECTION IV;** The monthly electric charge shall be paid to Duke Energy from the General Fund.

Be it further resolved that this Resolution is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall be effective immediately. The reason for the emergency is the immediate need to provide for the enhanced safety of vehicular, pedestrian, and bicycle traffic on Murray Avenue East due to the completion of the Murray Path extension to Plainville Road and pending reconstruction of the vacant former Madison Place Firehouse.

Motion to accept Resolution made by: MR. KUBICKI

Seconded by: MS. HUGHES
