

**RESOLUTION 22 - 30, 2022**  
**COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO**

**PROVIDING FOR AND AUTHORIZING REMOVAL OF TALL GRASS, WEEDS, AND DEBRIS, DECLARING A NUISANCE FOR NON-COMPLIANT PROPERTY AT 6917 HURD AVE., DISPENSING WITH THE SECOND READING, AND DECLARING AN EMERGENCY**

**WHEREAS**, Ohio Revised Code §505.87 provides that a Board of Township Trustees may provide for the abatement and control over the removal of tall grass, weeds, and debris (“Nuisance or Nuisance Conditions”) from land located in the Township; and

**WHEREAS**, the Board of Township Trustees of Columbia Township has determined the unattended tall grass, weeds, and debris are a Nuisance at:

<u>Address</u>	<u>Parcel Number(s)</u>	<u>Owner</u>
6917 Hurd. Ave.	520-0173-0149-00	Evald Enterprises LLC 2233 Francis Lane, Cincinnati 45209 Stephen R. Johnson, Cincinnati

**WHEREAS**, the non-complaint property is a rental, and it appears the tenant vacated the property and left behind a large quantity of loose and bagged trash, household furniture and yard items, and the yard has high grass and weeds in excess of the length permitted; these Nuisance Conditions all are violations of the Columbia Township Exterior Maintenance Code, Article V, as shown in the attached Columbia Township Notice of Property Maintenance Violation with photos.

**NOW THEREFORE, BE IT RESOLVED** by the Board of Township Trustees, Columbia Township, Ohio:

- Section 1.** That the tall grass in excess of eight (8) inches, weeds and debris located on the subject non-compliant property are hereby declared to be a nuisance.
- Section 2.** Pursuant to O.R.C. §505.87, the owner and lien holders of record for the properties shall be properly notified of this action and given seven days to abate the nuisance.
- Section 3.** In the event the nuisance is not abated within the time period allowed, the Columbia Township Maintenance Department is hereby directed to remove and discard the tall grass, weeds and debris or contract for the removal of the tall grass, weeds and debris from the subject non-compliant property.

***Passed this 14th day of June, 2022***

**RESOLUTION 22 - 30, 2022**  
**COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO**

**Section 4.** By a separate resolution of the Board of Trustees, the owner of the subject nuisance property shall be billed for such services, and the Fiscal Officer shall place a special assessment on the real estate tax bill of the property if payment is not made within 30 days.

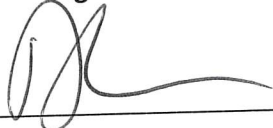

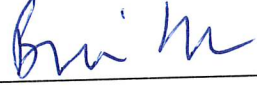

**Section 5.** The Trustees of Columbia Township upon majority vote do hereby dispense with the requirement that this resolution be read on two separate days, and hereby authorize the adoption of this resolution upon its first reading.

**Section 6.** This Resolution is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and welfare of the Township. The reason for the emergency being the immediate need to abate the Nuisance Conditions existing at the Property at the earliest possible time.

Re: 6917 Hurd Ave                      Columbia Township                      Report # 515876

Dear Property Owner:

A site investigation was conducted on May 26<sup>th</sup>, 2022 at the above referenced property in response to a complaint received by Hamilton County General Health District. This letter details the observations made during the investigation, existing violations of the Ohio Revised Code (ORC), the Hamilton County District Board of Health Environmental Sanitation Regulation No. 1-67, and corrective actions required to obtain compliance with the applicable regulations.

## Observations

On May 26<sup>th</sup>, 2022, I observed garbage on the side of the home in garbage bags. I observed some of the bags with evidence of chewing by some type of animal. A couple of rat burrows were observed on the property around the garbage bags and along the side of the home. The following photographs were taken during the inspection.

### **Violations**

ORC 3707.01 states: "The board of health of a city or general health district shall abate and remove all nuisances within its jurisdiction. It may, by order, compel the owners, agents, assignees, occupants, or tenants of any lot, property, building, or structure to abate and remove any nuisance therein, and prosecute such persons for neglect or refusal to obey such orders."

You are currently in violation of **Hamilton County District Board of Health Environmental Sanitation Regulation No. 1-67:**

4.15 Exterior property areas and accessory structures shall be free from health, fire, and accident hazards, and vermin, insect and rodent harborage and conditions which might create a nuisance.

**Furthermore, you are currently in violation of ORC Section 3701.01 – Public Health Nuisance.**

**Pursuant to ORC 3707.99 this/these violation(s) constitute a minor misdemeanor on the first offense and a misdemeanor of the fourth degree on each subsequent offense, if you are found guilty of the original misdemeanor.**

### **Required Corrective Action**

As the owner of the property, you are responsible for maintaining the property in a clean and sanitary condition. You must

- 1) Remove the trash from the exterior of the home and have the waste properly disposed.
- 2) Treat the rodent burrows.
- 3) Fill the rodent burrows following treatment.

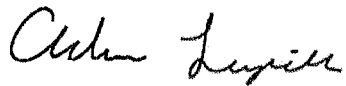

**The above actions must be completed by 6/21/2022. Failure to do so may result in referral of this case to the Environmental Division at the Office of the Hamilton County Prosecuting Attorney.**

A re-inspection of the property by the Environmental Health Division of Hamilton County Public Health will be conducted on or after 6/22/2022 to ensure corrective actions have been made to remedy the situation. In addition, continued surveillance of the property will be conducted to verify compliance.

Please feel free to contact me if you have any questions or concerns at (513) 946-7836.

Sincerely,

Adam Lengerich R.S.

### **ARTICLE V**

#### **RESIDENTIAL EXTERIOR PROPERTY MAINTENANCE STANDARDS**

##### **5.01 SCOPE**

The provisions of this Code set forth the minimum conditions and the responsibilities of every person and/or legal entity owning, leasing, occupying or having charge of any premises for the maintenance of structures, equipment, and exterior property to preserve and to achieve the presentable appearance of existing structures and premises and to avoid blighting effects of the substandard maintenance of structures and

premises, and their negative impact on the value of surrounding properties, and to eliminate hazardous conditions.

#### **5.02 RESPONSIBILITY**

Every person and/or legal entity owning, leasing, occupying or having charge of any premises shall keep such premises in compliance with these requirements, except as otherwise provided in this Code. A person shall not occupy as owner-occupant or permit another person to occupy premises which are not in a sanitary and safe condition and which do not comply with the requirements of this Code.

#### **5.03 APPLICATION OF MAINTENANCE STANDARDS**

The following standards are applicable to all residential structures, dwelling units, residential portions of mixed use structures and all dwelling units located in commercial buildings.

#### **5.04 STRUCTURAL SOUNDNESS AND MAINTENANCE OF DWELLINGS**

- A. General Maintenance. All exterior property and premises shall be maintained in a clean, safe, and sanitary condition. The owner, lessee, occupant, or person or entity having charge of the property shall keep all parts of the exterior property in a clean and sanitary condition. No premises shall be in a condition that constitutes a health hazard, safety hazard, or general nuisance.
- B. Protective Treatment. All exterior surfaces including, but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces re-painted. All siding and masonry joints as well as those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement.
- C. Foundations. Foundations shall support the building at all points and shall be free of all holes and cracks which admit rodents, water or dampness to the interior of the building or reduce the capability of the foundation to support the building.

- D. Exterior Walls and Surfaces. Exterior walls and other exterior surface materials shall be free of holes, cracks, loose or rotting boards and timbers or any other condition which might admit rodents, rain or dampness to the interior of the dwelling. Except for materials that have been designed or manufactured to remain untreated, all exterior wood, composition or metal surfaces shall be protected from the elements by paint or other protective covering. Surfaces shall be maintained so as to be kept clean and free of flaking, loose or peeling paint or covering. All canopies, signs, awnings, exterior stairways, fire escapes, standpipes, exhaust ducts, porches, balconies, and similar overhanging extensions, where exposed to public view, shall be maintained in good condition and shall not show evidence of ripping, tearing, or deterioration.
- E. Windows, Skylight, Doors and Frames. Windows shall be fully supplied with window glass or an approved substitute which is glazed and is without open cracks or holes, shall have sashes in good condition which fit within frames, be capable of being easily opened and held in position by hardware, and maintained so as to exclude adverse weather elements from entering the structure. Skylights, doors, and frames shall be kept in sound condition, good repair and weather tight.
- F. Exterior Doors. Doors shall be maintained so as to be structurally sound, fit within frames so as to be weatherproof, windproof, and water-proof and be provided with door hinges and door latches which are in good working condition.
- G. Roof. Roof members, covering, and flashing shall be structurally sound and tight so as to prevent the entrance of moisture and be maintained by renewal, repair, waterproofing, or other suitable means.
- H. Gutters and Roof Drains. Rain gutters, downspouts, leaders or other means of water diversion shall be provided to collect/conduct and discharge all water from the roof and maintained so as not to leak or cause dampness in the walls, ceiling, or basements or adversely affect adjacent properties. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions.
- I. Chimneys and Towers. All chimneys, cooling towers, smoke stacks, and similar appurtenances shall be maintained structurally safe and sound, and in good repair. All exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.

- J. Porches and Decks. Every porch or deck shall be so constructed and maintained so as to be free of missing, defective, rotting or deteriorated foundations, supports, floors, other members, and steps thereto, and kept in sound condition and in good repair.
- K. Basement. Basement or cellar hatchways shall be so constructed and maintained as to prevent the entrance of rodents, rain, and surface drainage into the dwelling.
- L. Decorative Features. All cornices, entablatures, bell courses, corbels, terra cotta trim, wall facings, and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
- M. Structural member. Any structural member of a structure which has become deteriorated or damaged to the extent that it does not serve the purpose as originally intended shall be renewed, restored, repaired, or replaced as is necessary to serve the purpose as originally intended.
- N. Overhang extensions. All overhang extensions including, but not limited to, canopies, marquees, signs, awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.
- O. Sidewalks and driveways. All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- P. Building Security. Doors, windows or hatchways for dwelling units shall be provided with devices designed to provide security for the occupants and property within.

#### **5.05 PAINT AND COATING MATERIALS**

All paint and other coating materials shall be free of dangerous substances banned from general use by authorized federal, state, county, or local regulatory agencies for health and safety reasons.

#### **5.06 EXTERIOR PROPERTY AND STRUCTURE EXTERIORS**

All buildings and the exterior of all premises shall be properly maintained to achieve a presentable appearance and to avoid blighting effects and hazardous conditions.

- A. Exterior Space. The exterior open space around each dwelling shall be maintained or so improved so as to provide for:
1. The immediate diversion of water away from buildings and proper drainage of the premises;
  2. Grass, plantings or other suitable ground cover to prevent soil erosion which is or may become detrimental to the structures, premises use or adjacent premises and structures;
  3. Sidewalks, walkways, parking areas, and driveways of a concrete, asphalt, pavers or similar surface which are of sound construction and properly maintained; and
  4. Exterior steps which are of sound construction and properly maintained free of hazardous conditions.
- B. Yards. All yards, courts, and lots shall be graded and kept free of overgrown grasses, debris and other materials which may cause a fire, health, safety hazard, or general unsightliness.
- C. Hazards. Hazards and unsanitary conditions shall be eliminated.
- D. Occupancy. No temporary buildings, trailers, recreational vehicles, tents, or garages shall be used temporarily or permanently as a residence in the course of construction.
- E. Storage. Except as provided for in other regulations of the Township, all outdoor storage of any kind shall be prohibited.
- F. Grading. All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of water thereon, or within any structure located thereon.
- G. Drainage. All portions of all premises shall be so graded that there is no pooling of water or recurrent entrance of water into any part of any building except when such pooling or retention of water is part of a plan approved by the County Engineer. All condensate and waste cooling water shall be appropriately discharged into an approved drainage system.
- H. Drainage Swales. Swales are to be maintained by the owners of the parcels on which they are located, and at no time will anyone plant shrubs and/or trees, or discharge, empty, or place any material, fill or waste into any swale so as to divert or impede drainage flow.
- I. Fences and Walls. All fences, retaining walls, or similar structures shall be anchored firmly in the ground, shall be constructed in a workmanlike manner and maintained in that same manner so that such approved fences, retaining walls, or similar structures shall always

be in a state of good structural repair. If any fence, retaining wall, or similar structure is found not to be in a state of good structural repair, it shall be removed, replaced, or repaired as required. Except when constructed of materials that have been designed or manufactured to remain untreated, all fences shall be treated periodically with paint or chemicals so as to retard deterioration.

- J. Commercial Vehicle. No commercial vehicle with a gross vehicle weight rated in excess of 10,000 pounds, based on manufacturer's federal identification decal or serial number, or any commercial vehicle more than seven (7) feet in height, may be parked on any residential property, except for commercial vehicles making service calls or vehicles being used to move personal goods to or from a subject property.
- K. Furniture. No furniture intended for indoor use may be stored outside, unless it is in a completely enclosed porch or patio room.
- L. Off Street Parking. Parking and/or storing of any vehicle on a lawn or dirt surface shall be prohibited. On all tracts in residential districts, all open off-street parking areas shall be graded and surfaced with bituminous concrete (asphalt), Portland cement concrete, brick, cobble-stone or similar hard surface. Tracts with nonconforming gravel driveways may have gravel parking areas, but in no case shall a landscaped area (i.e., neither paved nor graveled) be used as an open off-street parking area.
- M. Trailers and Recreational Vehicles. If a licensed and operable trailer, utility trailer, watercraft, camping or recreational equipment is parked or stored outside a garage, it shall be parked or stored to the rear of a line which is an extension of the rear wall of the house. On a corner lot; however, the camping or recreational equipment may not be stored on any side of the house toward a street. All camping or recreational equipment shall cover no more than 400 square feet of yard area, with a maximum of two (2) pieces of camping or recreational equipment permitted. The vehicles must be registered to a resident of the respective property. RV's and Utility Trailers may be parked for purposes of loading and unloading for forty-eight (48) hours.
- N. Street Numbers. Each structure to which a street number has been assigned shall have such number displayed in a position easily observed and readable from the public right-of-way. All numbers shall be in Arabic numerals at least four (4) inches high and one-half (1/2 ) inch stroke and of a color contrasting to the background.
- O. Rodent harborage. All structures and exterior property shall be kept free from rodent harborage and infestation. Where rodents are found, they shall be promptly exterminated by approved processes

which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.

- P. Sanitation. All exterior property and premises shall be maintained in a clean, safe, and sanitary condition. The owner, lessee, occupant, or person or entity having charge of the premises shall keep that part of the exterior property which such person or entity occupies or controls in a clean and sanitary condition.

#### 5.07 VEGETATION

- A. No person or entity owning, leasing, occupying or having charge of land within the Township shall fail to keep such property free and clear of all noxious (brush, briars, burrs, vines, Russian thistle, Canadian thistle, common thistle, wild lettuce, wild mustard, wild parsnip, ragweed, milkweed, ironweed, et. al.) weeds and rank vegetation or fail to cut all such weeds and vegetation on land owned or in his or her possession whenever such weeds or vegetation have grown to a height of eight (8) inches or more.
- B. In addition to the requirement of paragraph "A" hereof, no person shall permit any grass or weeds to grow to a height of eight (8) inches or more on any section of public right-of-way, including an easement area, contiguous to his or her property and on his or her property side of any pavement traveled by motor vehicles.
- C. No person owning, leasing, operating, occupying or having charge of land within the Township shall permit trees, bushes, shrubs, or other growth to overhang or block any part of a sidewalk or unpaved but traveled portion of a street for a height of seven (7) feet above the surface, or any part of a paved street for a height of fourteen (14) feet above the surface.
- D. All plant materials, especially trees and shrubs, afflicted with decay, disease, insect infestation, or otherwise considered dangerous to other plant material shall be removed or appropriately treated. All sound plant materials, especially trees and shrubs, shall be properly maintained and not evidence signs of neglect.

#### 5.08 STAIRWAYS

All exterior stairways on all residential premises shall:

- A. Be maintained free of holes, grooves, and cracks which constitute a safety hazard;
- B. Be maintained free of rotted or deteriorated supports;

- C. Have treads of uniform width and risers of uniform height; and
- D. Stairway handrails and/or railings shall be firmly fastened and maintained in good condition. Where the absence of handrails and/or railings create a hazardous condition, the Enforcement Officer may require their installation in accordance with the provisions of the Hamilton County Building Code.

#### **5.09 ACCESSORY STRUCTURES**

All structures accessory to the dwellings, including detached garages, shall be structurally sound, neatly maintained, and in good repair or they shall be razed to grade level and debris removed from the premises.

#### **5.10 WASTE RECEPTACLES**

- A. Accumulation, Dumping, Storing, and/or Burying of Rubbish or Garbage. All exterior property and premises, and the interior of every structure, carport, deck, and patio shall be free from any accumulation, dumping, storing, and/or burying of rubbish and/or garbage including, but not limited to tires, combustible and noncombustible waste materials, abandoned construction materials and debris, paper, rags, cartons, boxes, excelsior, rubber, leather, tin cans, metals, mineral matter, glass, crockery and dust, animal and vegetable waste, residue from burned materials, inoperable and broken appliances and household equipment, and other similar materials.
- B. Disposal of Rubbish/Garbage. Every owner, lessee, occupant, or person or entity having charge of any structure shall dispose of rubbish/garbage in a clean and sanitary manner by placing such rubbish/garbage in approved containers.
- C. Rubbish/Garbage Storage Containers. The owner of occupied premises shall supply approved covered containers for rubbish/garbage. The owner, lessee, occupant, or person or entity having charge of the premises shall be responsible for the removal of rubbish/garbage.
- D. Placement of Rubbish/Garbage Containers. All approved residential rubbish/garbage containers shall be placed at the curb or authorized alley location for pick-up unless prior arrangements have been made with the township and collector for pickup at another location. No such rubbish/garbage container shall be placed at the curb earlier than 24 hours preceding the pickup and all containers shall be removed within 24 hours after the pickup. When not at the curb for pickup, all rubbish/garbage receptacles shall either be in an enclosed building or placed behind the front building line.
  - 1. Multi-Family Dwelling Units. All multi-family dwelling units utilizing a dumpster for waste removal must locate the dumpster to

the rear of the structure. If a multi-family unit does not use a dumpster, residents must follow the same requirements as defined in Section 5.10(D).

2. Bundling of Waste. If waste is of such nature that it cannot be put in the regulation containers, it shall be placed in a manner as specified by the Township.
3. Report of Collection Failures. Every owner, lessee, occupant, or person or entity having charge of the property is required to maintain surveillance over the garbage and rubbish (waste) storage, handling and collection on his premises. Any missed pickup must be reported to the township offices no later than one business day after the scheduled pickup.

#### 5.11 JUNK OR INOPERABLE VEHICLE

- A. Storage of Junk or Inoperable Vehicle on Private Property. No junk, inoperable, or unlicensed vehicle shall be located on any residential property, except when stored within a completely enclosed building.
- B. Parking of Junk or Inoperable Vehicle on Public Property. No junk or inoperable vehicle shall be located on any public property for a period in excess of twenty-four hours.
- C. Impounding of Junk or Inoperable Vehicle. In addition to other remedies provided by law, the Enforcement Officer may order into storage any vehicle maintained in violation of any provision of this resolution. Prior to removal of any junk or inoperable vehicle, the Enforcement Officer shall photograph the junk or inoperable vehicle and record the make, model and serial number when available. The place of storage shall be designated by the Enforcement Officer.
- D. Disposition of Junk or Inoperable Vehicles Ordered Into Storage. Any junk or inoperable vehicle ordered into storage that remains unclaimed for a period of thirty (30) days may be disposed of at a vehicle salvage dealer or scrap metal processing facility owned by or under contract with the Township for the disposal of such vehicles, or may be sold by the Township or licensed auctioneer at a public auction, after giving notice thereof by advertisement, published once a week for two successive weeks in a newspaper of general circulation in the Township. Any monies accruing from the disposition of an unclaimed vehicle that are in excess of the expenses resulting from the removal and storage of the vehicle shall be credited to the General Fund of the Township.
- E. Towing and Storage Charge; Recovery of Impounded Vehicle. Upon proving ownership, the owner of any junk or inoperable vehicle

ordered into storage pursuant to this resolution may reclaim it upon payment of all expenses or charges incurred in its removal.

## **5.12 DEFACEMENT OF PROPERTY**

### **A. Prohibited Conduct.**

1. No person shall inscribe, draw or otherwise place or cause to be placed, anything defacing the surface of any building, structure, wall, or surface of other property, including, but not limited to, sidewalks, walls, buildings, fences and signs, that are publicly or privately owned.
2. No parent or legal guardian shall knowingly permit any minor child in his or her custody to violate this section.
3. The parent or legal guardian of a minor defendant who resides with such parent or legal guardian at the time of the offense may be held liable for any penalty or condition of restitution or reparation imposed by a court upon a minor for violations of this section, provided that such minor has not paid such penalty or made restitution or reparation within the time ordered by the court, and further provided that such parent or legal guardian was served with the original summons or with notice of any subsequent proceedings arising therefrom.

### **B. Removal.**

1. It shall be the duty of the owner, lessee, occupant, or person or entity having charge of any property or structure upon which anything defacing it is placed or made, to remove, eradicate, or eliminate such defacement.

### **C. Removal by the Township.**

1. If the owner, lessee, occupant, or person or entity having charge of private property fails to remove anything defacing the property and does not comply with the notices to remove such defacement within the timeframe specified by the Enforcement Officer, the Township shall remove or abate the item or thing defacing the owner's property and may employ the necessary labor to perform such task. All costs for removing or abating such defacement shall be recovered in the following manner:
  - a. The owner(s) shall be billed directly by certified mail deposited with the United States Post Office. In the event the certified mail envelope is returned with endorsement showing that the envelope is unclaimed, then service shall be sent by ordinary

mail and the mailing shall be evidenced by a certificate of mailing which shall be filed by the Enforcement Officer.

- b. If the costs are not so recovered within thirty (30) days of receipt of the mailing described in Section 4.13(B)(1), the Township may collect the cost in accordance with the Ohio Revised Code and/or assess the cost to the owner via liens approved by the Township Trustees.

***In order to comply with this notice, please do the following:***

**Clean up and remove all garbage and debris from grounds**

you are further informed that unless you correct this violation or otherwise comply with this notice within 14 days of this notice, you will be subject to the penalty as provided by the Columbia Township Exterior Property Maintenance Code.

**If you do not bring the property into compliance within the specified time and/or contact this office to make other arrangements, a Violation Citation will be issued. Each day the violation continues, after issuance of the Violation Citation, is a separate offense and cited as such.**
