Comprehensive Risk Management for Public Safety Organizations

Lexipol is America’s leading provider of risk management solutions for public safety organizations. They provide police and fire departments with comprehensive, customizable, state-specific policies on a broad range of risk-centric topics, along with integrated Daily Training Bulletins that address department-specific policy areas – all through a unique web-based system.

Lexipol can help you address issues related to risk, liability, safety and best practices for your safety service departments. They also can help you comply with current laws and regulations and then document that you have trained your staff on approved policies.

Key Features and Benefits

There is no other system that offers the following integration in one package:

1. Lexipol provides comprehensive Ohio-specific policies written by legal and safety service professionals.
2. Supervisors can track staff training using reporting tools.
3. Lexipol experts constantly monitor major court decisions, legislation, and emerging trends affecting safety service operations and provide policy updates in response.
4. Lexipol archives your department’s policy manual and Daily Training Bulletin records to provide an invaluable resource in defense litigation or personnel matters.
5. The Lexipol system allows cross-referencing to any accreditation standard.
6. Policy and training components are 100% web-based. There is no software to purchase or maintain.

Nationwide collaboration between the largest private network of legal and public safety experts and Lexipol’s risk management tools provide agencies the most complete solution for policy manual management, training and documentation.

Return on Investment

According to a five-year post-Lexipol implementation study performed by a risk management association, agencies that adopted Lexipol saw:

- A significant decrease (45%) in the number of litigated claims
- A dramatic reduction (48%) in the cost of claims paid out
- No personnel or employment claims

The study found that Lexipol agencies in this study have yet to incur a personnel or employment claim, while non-Lexipol agencies in the in the study had eight claims for over \$448K.
