

RESOLUTION 23 -05, 2023
COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO

AUTHORIZING THE PURCHASE OF ONE 2023 BOBCAT SKID STEER LOADER AND TRAILER TO REPLACE 1992 MODEL FOR STREET REPAIRS, SNOW AND ICE PROGRAM, AND YARD WASTE COLLECTION AND RECYCLING PROGRAM, DISPENSING WITH THE SECOND READING, AND DECLARING AN EMERGENCY

WHEREAS, the Board of Trustees of Columbia Township, Hamilton County, Ohio provides public health and safety services within the Township for which it maintains an inventory of public works equipment. These services include street maintenance/repair, Waste District collection and recycling of yard wastes, and composting and delivery of wood chips for resident mulching; and snow and ice removal for roads; and

WHEREAS, the Maintenance Department recommends replacing its 1992 Bobcat Skid Steer Loader and Trailer with the purchase of a 2023 Bobcat S76 T4 Skid Steer Loader and Cronhite 2600EWA Drop Deck trailer from Bobcat Enterprises, 9605 Princeton-Glendale Rd., West Chester, OH 45011-9787. The equipment specifications are detailed on the attached quote sheets; and

WHEREAS, the State of Ohio Procurement Contract ("State Bid") price for the 2023 Bobcat Skid Steer Loader is \$60,916.48, and the Bobcat Drop Deck Trailer quote price is \$8,694 for a total cost of \$69,610.48. The net cost to the Township is estimated to be \$65,000 after trade-in of the 1992 Bobcat. The Township's 2023 budget includes \$75,000 for a new Bobcat Skid Steer Loader and Trailer; and

WHEREAS, the 21-year-old Bobcat Skid Steer Loader is in deteriorating condition, has been repaired numerous times, and is scheduled to be replaced in 2023 according to Columbia's equipment replacement plan; and

WHEREAS, the Board, upon majority vote, hereby dispenses with the requirement that this resolution be read on two separate days, and hereby authorizes the adoption of this resolution upon its first reading; and,

NOW, THEREFORE, BE IT RESOLVED, the Board of Trustees of Columbia Township, Hamilton County, Ohio, for the benefit and welfare of Columbia Township and its citizens, deems it to be in the best interest of the Township to purchase said equipment and authorizes the Fiscal Officer to draw her warrant on the Township Treasury for payment from the foregoing appropriation upon receiving proper vouchers therefore, and approved by the Board of Trustees.

Be it further resolved that this Resolution is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall be effective immediately. The reason for the emergency is that 1) the inventory of public works vehicles and equipment is nearly depleted due to pandemic impacts (supply chains and manufacturing), 2) the vendor has a limited number of units available as part of the state bid), and 3) the vendor requires an immediate order to provide delivery in time for the Township to put the equipment in service before
