

**RESOLUTION 23 - 13, 2023**  
**COLUMBIA TOWNSHIP, HAMILTON COUNTY, OHIO**

**AUTHORIZING THE ADMINISTRATOR TO ENTER INTO CONTRACT WITH TRAFFIC LOGIX FOR RADAR SPEED SIGN CLOUD DATA SERVICES, AND DISPENSING WITH THE SECOND READING**

**WHEREAS**, the Board of Trustees of Columbia Township continues to invest in services and technology to enhance traffic calming, lower vehicle speeds, and improve pedestrian and cyclist safety on roads in the Township; and

**WHEREAS**, the Township currently has 12 solar-powered radar speed signs installed on township and county roads within the Township as shown in Attachment A; these targeted locations were recommended by a 2022 TEC (transportation safety engineer) speed study that factored actual speed counts, traffic citation data, and field condition evaluations. The Township installed 8 new radar speed signs as recommended by the study to supplement the 4 existing signs; and

**WHEREAS**, TrafficLOGIX has been providing Columbia Township with cloud data access services for the original radar speed signs on an annual administrative contract. To expand services to include the newly installed signs, the Administrator recommends the Township should enter into a contract for two years which is discounted for all radar speed signs; the two-year contract at \$10,200 is a savings of \$600 over the annual contract at \$5400; and

**WHEREAS**, the Board of Trustees authorizes the Administrator to enter into a two-year contract with TrafficLOGIX Corp., 3 Harriet Lane, Spring Valley, NY 10977, for \$10,200 for radar speed sign cloud data services from May 2023 to May 2025 as detailed on Attachment B; and

**WHEREAS**, the Board, upon majority vote, hereby dispenses with the requirement that this resolution be read on two separate days, and hereby authorizes the adoption of this resolution upon its first reading.

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Trustees of Columbia Township, Hamilton County, Ohio, for the benefit and welfare of Columbia Township and its citizens, authorizes the Administrator to enter into a two-year contract with TrafficLOGIX in the amount of \$10,200.
